VILLA
AMMENDE
RESTAURANT & HOTEL

Ammende joogikaart on justkui seesama, meie terrassi nurgas seisev vana tamm. Väärikalt püsinud seal juba aastat sada ja enamgi veel. Oma lihtsuses ja ilus kannab see võimas puu just neid väärtusi, mida me oma väikese joogikaardiga edasi soovime anda – vihjeid Euroopa jätkusuutlikule põllumajandusele, põliste viinamarjasortidele ja meile ehk mitte nii tuntud veinipiirkondadele. Pakume nuppeid meie oma Pärnumaa veinivalmistajate oskustest ning nende töökusest. Täpselt nii, kuidas meie tammele, on ka meie veinipuule lisandunud uued aastaringid. Keelekaste, mida pakume, laseb pererahva poolt serveeritaval roogadel särada nii ärkavas kevades, sillerdavas suves, kuldses sügises kui ka unises talves.

The Ammende drink list is just like an old oak tree standing in the corner of our terrace. With dignity it has stood there 100 years or more. In its beauty and simplicity, this mighty tree embodies the same values we aim in Villa Ammende. Here are the hints of sustainable European agriculture, ancient grape varieties, and perhaps lesser-known wine regions. We offer you a selection of the skills and care of our own winemakers from Pärnumaa. Just as our oak tree has gained new rings over the years, our wine tree has grown also. The drinks we offer, raise the dishes served by our hosts, allowing them to shine in the budding spring, sparkling summer, golden autumn, and sleepy winter.
