**MEKKi joogikaart on rännak,  
kus maailma maitseid ja Eesti juured kohtuvad harmoonias,  
et täiustada iga rooga ja luua unustamatuid hetki.**

Meie fusion-köök ühendab eestlaste maaläheduse, esivanemate retseptid ja rahvusvahelise elegantsi, luues roogasid, kus autentne Eesti maitse saab uue hingamise. Sama filosoofiat kannab ka meie joogivalik.

Siit leiab väarikaid Euroopa veinipiirkondi, haruldasi viinamarjasorte ja Pärnumaa veinimeistrite loomingut. Kõik joogid on sommeljee poolt hoolikalt valitud, et toetada MEKKi roogade harmooniat – kevade värskust, suve sära, sügise sügavust ja talve rahu.

MEKKis ei ole joogid vaid klaasis – need on osa terviklikust elamusest, mis rikastab iga rooga ja loob hetki, mis väärivad mäletamist.

**The MEKK drink menu is a journey  
where world flavors and Estonian roots meet in harmony,  
enhancing every dish and creating unforgettable moments.**

Our fusion kitchen combines the earthiness of Estonian traditions, heritage recipes, and international elegance, crafting dishes where authentic Estonian flavors are given new life. The same philosophy guides our drink selection.

Here you will find distinguished European wine regions, rare grape varieties, and the craft of Pärnumaa winemakers. Every drink has been carefully selected by our sommelier to complement MEKK's dishes – from the freshness of spring and sparkle of summer to the richness of autumn and calm of winter.

At MEKK, drinks are not just served in a glass – they are part of a complete experience, enriching every dish and creating moments worth remembering.
